Mitre™ Presenter

Stylish LCD cabinet that has a mounting bracket designed to secure LCD screens up to 50" when used in conjunction with the manufacturers stand, ideal for smaller audiences

Smoked tempered safety glass door enhances the attractive appearance of the unit and is lockable offering security. There are 4 shelves, 3 height adjustable and 1 sliding to house your multi-media equipment and a draw positioned at the base of the unit providing storage for accessories, such as remote controls, DVD's or cabling. Generous 700mm wide top platform with in-built contoured handles for ease of maneuverability. The LCD support bracket is height adjustable between 220-500mm and also acts as a theft deterrent. Optional 19" rack mount accessory available with 23 hole pitch positions and fixings.

Mitre range features

Light grey cabinet with graphite grey, ruby red or aqua blue top and base. 5mm curved smoked lockable tempered safety glass doors. Heavy duty steel lockable access plate to rear measure 450 x 160mm (h x w) and is vented to assist with temperature control. Locks for front and rear access are keyed alike. Four height adjustable shelves, sliding top shelf and a practical sliding draw at base. Durable 100mm Tente® twin wheeled, precision ball bearing castors, 2 locking. Maximum spread load capacity recommended at 150kgs.

LCD mounting bracket

Robust steel bracket supports VESA hole configurations of 75 x 75mm, 100 x 100mm, 200 x 100mm, 200 x 200mm and 400 x 200mm and 400 x 400mm. 400mm VESA pattern is achieved by securing the additional attachment plates that are provided as standard and may be required with larger sets. Recommended maximum set weight of 45Kgs.
